

TIGER NOTES

Spring Break, March 9-13

School & Prime time closed

PLEASE – continue to pray for Mrs. Palmquist. She has been battling cancer for several years and it has gotten worse. We serve the God who can move mountains and we are asking Him to move this one. Many have asked how else they can help. She is on a very strict diet so HEB or Sprouts gift cards are good if you want to help with food. TCS will also take donations for her as none of her oxygen or red-light therapy treatments are covered by insurance. Otherwise, we really are asking you to pray for her as often as you can for healing and no pain. Thank You Tiger Family!

ALL STUDENTS must re-enroll each year. If you have not done so, please re-enroll now. The 2020-2021 Re-Registration fees increased to \$200.00 per student as of March 2nd.

WORLD'S FINEST CHOCOLATE went home on February 28th.

Candy is **not returnable** but we have extra if needed.

All World's Finest Chocolate Fundraiser money is due Wednesday, March 18. Please make sure that your child's name is on your money envelope and it would be greatly appreciated if you would change coins and small bills into large bills. We thank each and every one of you for your participation and support of TCS.

As a school we are concerned for the health and safety of our students. With the Corona Virus, we are taking measures to have the students wash their hands throughout the day, we have hand sanitizer in all rooms, we are keeping surfaces clean with Clorox wipes as always, and the nightly cleaning crew has been instructed to disinfect each night.

We are asking that parents let us know if anyone in the family has taken any recent trips; especially if they take international flights. If you leave the U.S. we are asking that your child bring a doctor's note before returning to class.

We are not allowing any of our international students to visit their homes until school gets out for summer.

As always, if your child or someone in the family is not feeling well; please see your family doctor and give us a copy of the doctor's note.

We also suggest eating a low sugar diet and be sure to take your vitamin C and D to keep any sickness away.

We appreciate your help and support!
